INDEX

INTERNATIONAL ORGANIZATION

Volume XIV—1960

Prepared by Lilo L. Schonbach

In the following index individuals who appear only as representatives of their countries have, in general, not been listed, while persons not representing any country but appearing in their individual capacities are included. For statements of policy made by national representatives the reference will be found under the country concerned. As a rule, listings have been made by organ rather than by topic, but many cross-references make possible the finding of topical material.

Paging of Volume XIV is as follows: Number 1, Winter 1960, p. 1–232; Number 2, Spring 1960, p. 233–380; Number 3, Summer 1960, p. 381–502; Number 4, Autumn 1960, p. 503–705.
